Request For Proposals

RFP 112-0405

ADDENDUM #3

Date of Issue: 07 May 2004

Public Safety Mobile Radio Communications:

State of North Dakota Information Technology Department is soliciting proposals for the replacement of the statewide public safety radio communications system with state-of-the-art equipment utilizing Project 25 standards.

Bidders are not required to return this form

Jerry Fossum, Director of Telecommunications
Information Technology Department
Procurement Officer

ADDENDUM #3

1.06 Questions Received Prior to Opening of Proposals

Update the email address to: blpeterson@state.nd.us

4.01 Page 28, Paragraph 3

The State will provide a chart indicating the approximate unit loading for each region in the State. The vendor may assume typical traffic loading per user. It is requested that the assumptions used be detailed in the bidder's proposal.

Currently gathering this information and it will be released as soon as available.

5.13.1.4

The state will provide a clear definition of the demarcation point for the inter-site T-1 links.

The State will provide a T-1 connection terminated at the bidder's provided CSU/DSU or other applicable equipment. Per 5.13.1.4 second paragraph. The State reserves the right to approve said interface equipment.

Copy of ITD's Wiring Standards.

5.2.3

Number of Field Service Technicians to be trained – 15.

Number of Dispatch Center personnel to be trained – 30.

Number of User Training personnel to be trained (Train the trainer) – 5.

5.13.1.5 Radio Infrastructure Equipment Installation Services - Page 58

Clarification: The state will take possession of any equipment to be retained at the equipments original site location. The bidder will not be responsible for the transportation of equipment removed from service but not disposed of.

The bidder shall include in their project schedule the time window for the State's decision on retaining any equipment after the bidder's delivery of the inventory information per 5.13.1.5 paragraph 3.

Additional questions

QUESTION: Do you have a list of the people that are on the committee that will be reviewing the proposals for the radio project?

ANSWER: The names of the evaluation committee will be released after the evaluations have been completed.
